

K3 Panda Class Newsletter
November 2026

Dear Parents,
I hope you are all doing well and had a lovely October. Panda Class has been making great progress, and it is lovely to see the children becoming more confident and independent in the classroom. They are getting much better at following our daily routines and are continuing to improve their English speaking, listening, reading, and writing skills.
During November, we will be getting ready for our drama play, which will take place later in the month. We will start practising our lines, learning some new songs, and working on our actions and movements. I will be encouraging the children to speak clearly and loudly so that everyone can hear them during the performance. Some children are still a little shy when speaking English, so I hope the drama play will be a fun way to help them build their confidence.

Alongside our drama practice, we will continue working through our phonics, reading, and other classroom books. I will also keep encouraging the children to become more independent with their work and to try their best when speaking and writing English.
I am really looking forward to seeing the children perform together. They are still very young, so the most important thing is that they enjoy themselves, have fun with their friends, and feel proud of what they have achieved.

Thank you, as always, for your continued support!
Teacher Simon

Reading
This semester, we will begin with a selection of easy reading books to help students build their confidence and develop a love of reading. These books will introduce simple sentence patterns and many new vocabulary words for the students to learn and use.
As we read together, students will practice recognizing words, understanding the meaning of stories, and answering simple questions about what they have read. We will also focus on correct pronunciation, listening carefully, and reading with confidence. Through fun and engaging activities, students will gradually develop the reading skills they need for more challenging books later in the school year.

Core Material
Our Core Material books are colourful, engaging, and filled with bright illustrations that help capture the students' attention and make learning enjoyable. Each unit includes fun and interesting stories that introduce useful vocabulary, simple sentence patterns, and basic grammar points. These stories encourage students to listen, understand, and use English in a natural and meaningful way while helping to develop their speaking and communication skills.

Throughout the semester, students will practice speaking in complete sentences, answering simple questions, following classroom instructions, and using the new language in conversations, games, songs, and pair activities. We will also encourage students to think creatively by expressing their ideas through drawing and simple writing tasks that relate to each lesson.

Phonics
Our Phonics book provides an excellent introduction to letter recognition and the sounds that letters make. Throughout the semester, students will learn to identify both uppercase and lowercase letters while practising the correct pronunciation of each letter sound. Developing strong phonics skills is an important first step in learning how to read and spell words with confidence.

As students become more familiar with letter sounds, they will begin to recognise simple words, make connections between sounds and letters, and develop the confidence to sound out new words independently. We will also practise listening activities, songs, chants, and games to help strengthen their phonics skills in a fun and interactive way.

MPM Math
The MPM Math program helps students develop a strong understanding of basic mathematical concepts through hands-on learning and problem-solving. Rather than

simply memorising answers, the MPM philosophy encourages children to think, explore, and discover different ways to solve problems, helping them build confidence and logical thinking skills.

The books are colourful, engaging, and filled with fun activities that introduce concepts such as numbers, counting, patterns, shapes, measurement, and simple addition and subtraction. Students will also use a variety of hands-on materials and manipulatives to help them understand mathematical ideas in a meaningful way.

During class, we enjoy a variety of songs that encourage students to sing, dance, and move along with the music. The different actions and movement activities help develop coordination, balance, rhythm, and both fine and gross motor skills. Song and Dance also gives students the opportunity to build confidence, improve listening skills, follow instructions, and interact with their classmates in a fun and positive environment.

Thematic Activities
Our Thematic Activities give students the opportunity to learn about different topics, seasons, countries, and special celebrations in a fun and meaningful way. These lessons help children expand their knowledge of the world while developing new vocabulary and language skills through stories, songs, games, crafts, and hands-on activities.
Thematic Activities take place once a week for one hour, with each theme lasting for approximately one month. This gives students plenty of time to explore each topic through a variety of engaging activities. This Month's theme will be Thanks Giving and Autumn.

Library
Once a week, our class will visit the school library to enjoy a variety of books together. During our library time, I will read stories aloud to the students, helping them develop their listening skills, imagination, and love of reading.

Each student will also have the opportunity to choose a book to take back to the classroom for the week. This encourages children to explore different stories, look through books independently, and become more familiar with reading.

Whenever we have extra time, we will read some of the students' chosen books together and talk about the stories. I will ask simple questions to encourage students to think about the characters, pictures, and events in the book while helping to develop their vocabulary, comprehension, and confidence when speaking in English. Our goal is to make reading a fun and enjoyable part of every week while encouraging a lifelong love of books.

Well, that's all for this month's newsletter!

Thank you for taking the time to read about what we will be learning during November. We have another busy and exciting month ahead, especially with our upcoming drama play! I am really looking forward to seeing the children practice their lines, learn their songs, and become more confident performing in front of others. I am sure they will all do a wonderful job, and most importantly, I hope they have lots of fun!

It has been lovely to see how much Panda Class has improved over the past few months. The children are becoming more independent, and I am very happy with the progress they are making.

If you have any questions, comments, or concerns about your child's learning or progress, please feel free to contact me through our English Weekly Communication Book. I am always happy to hear from you.

Thank you, as always, for your continued support and cooperation. I am looking forward to another fun and exciting month with Panda Class!

Take care, and see you next month!

親愛的家長們：
希望大家近來安好，並且度過了一個愉快的十月。貓熊班進步神速，看到孩子們在課堂上變得越來越自信與獨立，真的很令人欣慰。他們在遵守日常規範方面做得越來越好，且英語的聽、說、讀、寫能力也在持續進步。

在十一月期間，我們將為本月下旬舉行的戲劇表演做準備。我們將開始練習台詞、學習新歌曲，並排練動作與肢體表達。我會鼓勵孩子們大聲且清晰地說話，以便大家在正式演出時都能清楚聽到。有些孩子在說英語時仍有點害羞，希望這次的戲劇表演能成為一個有趣的契機，幫助他們建立自信。

除了戲劇練習外，我們也會繼續推進自然發音、閱讀及其他課堂教材。我會持續鼓勵孩子們在學習上更加獨立，並在說與寫英語時盡自己最大的努力。 我非常期待看到孩子們一起登場演出。他們年紀還小，最重要的是能夠享受其中、與好朋友開心同樂，並為自己的成就感到自豪。

一如既往，感謝您一直以來的支持！

閱讀 (Reading)
本學期我們將從精選的簡單讀本開始，幫助學生建立自信並培養對閱讀的熱愛。這些讀本將引介簡單句型與許多新單字，供學生學習與運用。

在共同閱讀的過程中，學生將練習認字、理解故事內涵，並回答簡單的文意問題。我們也會注重正確發音、專心傾聽以及自信朗讀。透過有趣且具吸引力的活動，學生將逐步累積閱讀技巧，為本學期後續挑戰更具難度的書籍做好準備。

主題活動 (Thematic Activities)
我們的主題活動讓學生有機會以趣味且有意義的方式學習不同的主題、季節、國家與特別節慶。這些課程透過故事、歌曲、遊戲、手作與實作活動，幫助孩子在拓展視野的同時學習新單字與語言技能。

主題活動每週進行一次，每次一小時，每個主題約持續一個月。這讓學生有充裕的時間透過各式吸引人的活動深入探索各個主題。本月的主題將是**感恩節與秋天 (Thanksgiving and Autumn)**。

圖書館時間 (Library)
每週我們班都會巡禮學校圖書館一次，一起享受閱讀的樂趣。在圖書館時間，我會大聲朗讀故事給學生聽，培養他們的聽力、想像力以及對閱讀的喜愛。 每位學生也有機會挑選一本書帶回教室閱讀一週。這能鼓勵孩子探索不同的故事、獨立翻閱書籍，並對閱讀更加熟悉。

每當有空檔時，我們會一起閱讀學生挑選的書籍並討論故事內容。我會提出簡單的問題，引導學生思考故事中的角色、插圖與情節，同時幫助發展他們的詞彙、理解力與說英語的自信。我們的目標是讓閱讀成為每週輕鬆快樂的一部分，並培養終身喜愛閱讀的好習慣。

以上就是本月的通訊內容！
感謝您抽空閱讀我們在十一月的學習計畫。我們即將迎來另一個忙碌而充實的月份，特別是即將到來的戲劇表演！ 我非常期待看到孩子們練習台詞、學習歌曲，並在大家面前展現更自信的表演。我相信他們一定會表現得很棒，最重要的是希望他們都能樂在其中！

看到貓熊班在過去幾個月裡的巨大進步，真的非常令人開心。孩子們變得越來越獨立，我對他們的成長感到非常滿意。
